## *Class Will*

Four years and some odd months ago, the Class of 1947 brought forth unto this high school a new band of pupils, delegated to the proposition that we were all created Freshmen. We are now engaged in a great undertaking for it is time for us to make out our last will and testament.

1st. We leave to Mr. Holland our appreciation for his guidance and our sincere wishes for his continuing success at Hingham High School.

2nd. To the class of 1948 we leave our sympathy for having to listen to the gavel in Room 22.

3rd To the class of 1949 we leave a somewhat "dignified" air of becoming upper-classmen.

4th. To the class of 1950 (the Frosh) we leave our inspiration to stick-it-out.

5th. John Scott leaves his executive abilities to Elwood Kimball and his outstanding grid-iron tactics to Johnnie Keefe and Buddy Waugh.

6th Gerry Gorman leaves his "raised eye-brow glances" to Eddie Lahage and his drawing ability to Gerry Sheehan.

7th Mary Ayers leaves her suave sophisticated manner, her waving brunette hair, her cultivated walk, and love for identification bracelets to Joey Davis.

8th. Helen Day leaves her spontaneous humor and love for French literature and grammar to Gig Murphy.

9th. Dick Larson leaves his impersonations, inspirations, and queer creations to Pete Lincoln.

10th. Bud Stuart and Ray Chase leave their bashfulness !!??-? and love for boats and blondes to John Cooley and Caleb Marsh.

11th. Peggy Abbey leaves her "cute" ways to Carolyn Pinel.

12th. Marjorie Tinkham leaves her collection of long, low whistles to Ruth McNulty

13th. Anne Rogers leaves her quiet and demure ways to Peggy Parker.

14th. Bets Hartney leaves her inspiration to become a better tennis player to Mac Tappe.

15th. Elaine Davis leaves her winning personality to Mary Parrish.

16th. Brenda Phillips leaves her vivacity to Judy Brooks.

17th Prudy Hardwood leaves her ability to play the piano to anyone capable of taking her place.

18th Bob Basiliere our outstanding three letter man, leaves his athletic abilities to anyone (the question is who) capable of living up to them.

19th. Barbara Rountree leaves her love for photography to Cynthia Baird.

20th. Louise Lombardo leaves her extremely keen sense of dress, her eternally neat hair styles, and captivating smile to Carol Souther.

21st. Sylvia Doble leaves her dramatic talents to Anne Breen.

22nd. Sally Mallory and Allison Newcombe leave their long list of A's to Caro! Downey and Leroy Leonard.

# *Yearbook 1947*

23rd. Herbie Lawton leaves his hilarious, yet somewhat spontaneous, mannerisms to Jimmy Wilson.

24th. May Harrigan leaves her ability to decorate to Dottie Coogan.

25th. Bill Bates and Fred Botting leave their inseparability to Gerry Pyne and Billy Antoine.

26th. Betty Torrey leaves her wacky wise-cracks to Barbara Wholey.

27th. "Brick" leaves her choppers to any victim of the hockey ball.

28th. Lloyd Caplan leaves his outstanding tennis ability to anyone worthy of it.

29th. Marion O'Neill leaves her athletic ability to Herby Lundegren.

30th. To anyone living or dead, Jeff, Hime, Jake and Marty leave their love for Hull. 'Nuff said!

31st. We leave to other Juniors and advancing classes our love for Room 22, our superiority and front row seats in assembly, and also third lunch every Monday, Wednesday and Friday!!!????

In witness whereof we have hereto subscribed our names (those of us who have learned to write, that is) and affixed our seals the thirty-first day of January in the year of our Lord one thousand nine hundred and forty-seven.

## *Class Poem*

Betty Anne Hartney

"All the world's a stage,"  
And as we take our part in life.  
We find that we've become an age  
Where we shall meet with care and strife.

Our problems here, though they seemed great,  
Were just like pebbles in a brook.  
We realize now how small they rate  
Like separate pages in a book.

And still we've learned so much it seems  
From this foundation firm and round  
We know friendship, happiness and dreams,  
The things that make the world go 'round.

Life won't be all fun and play,  
Things won't happen as we choose,  
For how well we realize each day  
You have to fight to win or lose.

We won't forget these last four years  
Or say good-by to friends we know.  
Our hearts will always be right here  
No matter where we chance to go.

It is difficult for us to leave  
And face the open world alone,  
For partings so hard to conceive,  
After all the happy days we've known.

We're not all grown up its true;  
That comes on us too fast.  
We want to cling to joys we knew;  
We want our child-like ways to last..

But these dreams that we've lived so long  
Awake, though not in sorrow  
For we will build this world up strong  
As men and women of tomorrow.

May the class of "47" rise  
To success and merits yet unknown  
May our strength and valor reach the skies  
So we can make this age our own.

Before you make any decisions as to what you are going to do after graduation, why not investigate the job opportunities which the Telephone Company offers you?

Good pay is among the many advantages you gain by working for the Telephone Company. You earn while you learn; the pay for beginners is good and you can earn increases beginning in a few months.

Then, too, you will be working at an interesting job with congenial people in pleasant surroundings. Your job can be the first step in a real career in public service.

*Your teacher or vocational adviser can tell you  
more about work in this interesting industry.*
